Any digital reproductions or copied work will be disqualified. Works must be the original work of the artist. **NOTE:** Using photos as a painting reference is a long-held accepted practice, but the use of source material created by a professional photographer or stock photos is not allowed. They must be upright and cropped showing the artwork only, with no glare. Images of a diptych etc. should illustrate the height and width of the entire artwork. Remember: artwork is first judged by analysing the jpeg – ensure your photo does your piece justice! For help, email us.

Wire must be at least 3 inches (7.5 cm) from the top at the centre. Hardware must hold the piece safely. The final decision to hang a piece will be made by the Gallery Committee.
